

CUSTOM PRODUCTS

Luxformae offers bespoke lighting solutions tailored to the needs of each project. Working with materials such as metal, glass, fabric, acrylic, leather, and more, we design and craft everything from grand statement pieces and art installations to system-based designs and project-specific fixtures.

Our team can execute in any design style—from traditional elegance to modern minimalism—while providing detailed renderings and finish samples throughout the process to ensure every detail aligns with your vision.

All Luxformae custom fixtures are UL/ETL listed before leaving the factory, guaranteeing both quality and compliance.
